

# Book and Equipment Loan System

## Introduction

As part of NBRC's WILDside Project (2017-2019), we purchased a number of items of equipment and books to support biological recording in Northamptonshire. These are used in training workshops and for events, but when not in use can be borrowed by recorders or used at our office. These resources were purchased using funding from the National Heritage Lottery Fund.

## How to request resources

Currently books and equipment can be used at the Northamptonshire Biodiversity Records Centre office (Lings House, Lings Way, Billing Lings, Northampton, NN3 8BE). They can also be picked up from here to be borrowed. If you would like to arrange to use the resources then please email [nbrc@northantsbrc.org.uk](mailto:nbrc@northantsbrc.org.uk)
